

Deliver stunning results with a superwide printer that scales as your business grows

*Product image may differ from actual product

STUNNING—Quality that drives high margins	SCALABLE—As your business grows	SUSTAINABLE—With environmental certifications
- You can grow into higher-margin jobs with up to 30% wider gamut¹ at high speed—preserving media gloss, feel. - Stand out with a wide range of signage and décor applications—thin films, vinyl, odorless² backlit textiles. - Consistent color and quality configurations across your global fleet with HP Configuration Center³.	- Integrate future enhancements with a scalable platform ready to meet evolving business needs. - Meet tight turnarounds with speeds up to 89 m² (958 ft²) per hour⁴ today. - Minimize ink waste and streamline your workflow with auto printhead cleaning and an intuitive interface. - Print remotely and monitor fleet with HP Live Production included in HP Professional Print Service Plan⁵.	- This printer is built to last⁶ thanks to its scalable design. - Create a comfortable workspace—water-based inks enable odorless prints² and no hazardous air pollutants⁷. - Stand out with an offering that meets environmental certifications like UL ECOLOGO^{®8} and UL GREENGUARD⁹. - Contribute to the circular economy with HP Planet Partners¹⁰ and PVC alternative media profile database¹¹.

Messaging Footnotes

¹Based on testing commissioned by HP and performed by Venture Electronics Spain, comparing the gamuts of HP Latex Gen 4 inks with those of leading competitive alternatives using UV technology. Test performed under the same conditions in all printers measuring the ECI2002 target with the FD-9 spectrophotometer from Konica Minolta.

²Based on testing commissioned by HP and performed by Odournet and applicable to HP Latex Inks. Testing conducted according to VDI Guideline 3882 where 832 and 873 inks were characterized as “weak” in odor intensity and “neutral” for hedonic tone. There is a broad set of media with very different odor profiles. Some of the media can affect the odor performance of the final print.

³HP Learn’s free training content, HP Print Beat remote monitoring of production and analytics, HP PrintOS Mobile, and HP Configuration Center are available free of charge for all HP printers compatible with HP PrintOS. Requires an HP PrintOS account, Internet connection, and connected Internet-capable device. For more information, see <http://www.printos.com>.

⁴Based on internal HP testing. Outdoor mode 3-pass, 6-color, 90%. While CMYK and Optimizer are duplicated with symmetrical double printheads, Overcoat, Light Magenta and Light Cyan rely on single printheads.

⁵HP PrintOS Live Production is available for subscribers of the HP Professional Print Services Plus Plan. Please consult your HP representative for information about availability and/or geographic coverage. Requires an HP PrintOS account, Internet connection, and connected Internet-capable device. For more information, see <http://www.printos.com>.

⁶Based on HP Large Format supplies Long Term Plan, at least 70% of printers installed, from the previous generation, are still in use in 2024. And on average printers in use are 6-7 years old and at least 50% of printers are > 6 years old.

⁷HP Latex Inks were tested for Hazardous Air Pollutants, as defined in the Clean Air Act, per U.S. Environmental Protection Agency Method 311 (testing conducted in 2013) and none were detected.

⁸UL ECOLOGO[®] Certified HP 832, HP 872, HP 873, and 882, FS50 and FS60 printer series Latex Inks meet a range of stringent human health and environmental considerations. For certifications, see <http://www.ul.com/EL> and <http://www.ul.com/gg>.

⁹Applicable to HP Latex Inks. UL GREENGUARD Gold Certification to UL 2818 demonstrates that products are certified to UL’s GREENGUARD standards for low chemical emissions into indoor air during product usage. Unrestricted room size—full decorated room; 33.4 m² (360 ft²) in an office environment; 94.6 m² (1,018 ft²) in a classroom environment. For more information, visit <http://www.ul.com/gg> or <http://www.greenguard.org>. For certifications, see <http://www.greenguard.org>.

¹⁰Visit <http://www.hp.com/recycle> to see how to participate and for HP Planet Partners program availability; program may not be available in your jurisdiction. Where this program is not available, and for other consumables not included in the program, consult your local waste authorities on appropriate disposal.

¹¹HP applications experts have evaluated the catalog of media listed in the HP Media Locator based on internal criteria to identify those that provide alternative solutions with certain environmental benefits compared to the typical media within the same application type. The information in media locator is provided by the media substrate vendors. HP is not responsible for the veracity of the information from third-party companies published on the HP website. Technical specifications

Print		Interfaces Intel I210-T1 Gigabit Ethernet (1000Base-T)	
Print speed	1302 ft²/hr (2-pass); 958 ft²/hr (3-pass); 743 ft²/hr (4-pass); 527 ft²/hr (6-pass); 409 ft²/hr (8-pass); 312 ft²/hr (10-pass)	Dimensions (W x D x H)	
Print resolution	Up to 1200 x 1200 dpi	Product	228 x 54 x 66 in
Technology	HP Latex Printing Technologies	Shipping Weight	231 x 71 x 75 in
Ink types	Water-based HP Latex Inks	Product	2873 lb
Ink cartridges	8 (black, cyan, light cyan, light magenta, magenta, yellow, HP Latex Optimizer, HP Latex Overcoat)	Shipping	4556.95 lb
Cartridge size	5 L (color) upgradeable to 10 L with B3SG0A	Included	
Printheads	8 (6 HP Latex Universal, 2 HP Latex Optimizer)	What's in the box HP Latex FS50 Printer, printheads, 126-in spindles (x2), HP Internal Print Server, touch monitor, documentation software, user manual, media edge holders, Original HP sample media, cleaning supplies, pneumatic gun, User Maintenance Kit	
Long-term print-to-print repeatability	Maximum color difference (95% of colors) ≤ 2 dE2000	Environmental ranges	
Media		Operating temperature	59 to 86°F
Applications	Exhibition and event graphics; Decoration; Displays; Exterior signage; Indoor posters; Banners; Light boxes - film; POP/POS; Textile; Vehicle graphics; Wallpaper	Operating humidity	20 to 70% RH (non-condensing)
Handling	Roll-to-roll, double-sided blackout, dual-roll (optional), roll-to-freefall (optional), ink collector (optional)	Acoustics	
Maximum media width	126 in (single roll); 2 x 63 in (optional dual roll); 2 x 60 in (optional jumbo dual roll)	Sound pressure	Printing: 71 dB(A) (operating), 58 dB(A) (idle)
Media rolls	1 [2 with optional dual roll kit]	Power	
Roll size	Up to 126 in (single roll); Up to 2 x 63 in (optional dual roll); Up to 2 x 60 in (optional jumbo dual roll)	Consumption	12-13 kW (printing), 510 W (ready), 110 W (low power mode), 100 W (shutdown)
Maximum roll weight	Up to 350 lb (single roll); Up to 661 lb (with optional diverter roller); Up to 2 x 155 lb (with optional dual roll kit); Up to 2 x 440 lb (with optional jumbo dual roll kit)	Requirements	Input voltage 200-240/380-415 V Delta/Wye three-phase and PE; 50/60 Hz; 56/35 A
Maximum roll diameter	11.8 in (15.75 in with optional diverter roller)	Certifications & Compliance	
Thickness	Up to 0.015 in (default); up to 0.08 in (with custom carriage height setting)	Safety	IEC 62368-1 compliant; United States and Canada (CSA listed); EU (MD compliant, EN60204-1, EN12100, EN13849-1, EN10101-1); Ukraine (UA)
Media types	Banners, self-adhesive vinyls, films, papers, wallcoverings, canvas, synthetics, fabrics, mesh, textiles¹	Electromagnetic	Compliant with Class A requirements: USA (FCC rules), Canada (ICES), EU (EMC Directive), Australia (ACMA), New Zealand (RSM), Korea (KCC)
Connectivity		Environmental	WEEE, RoHS (EU, China, Ukraine), REACH, CE marking compliant
		Warranty	One-year limited hardware warranty

HP Support Services offer installation and extended support services (e.g. 2, 3, 4, and 5 years). For more information, please visit <http://www.hp.com/go/cpc>

Specification Footnotes

¹ Performance may vary depending on media—for more information, see <http://www.hp.com/go/mediasolutionslocator>. For best results, use textiles that do not stretch. The optional ink collector is required for porous textiles.
² This product does not contain substances listed as SVHC (155) per Annex XIV of the EU REACH directive published as of June 16, 2014 in concentrations exceeding 0.1%. To determine the status of SVHC in HP products, see the HP REACH Declaration published at HP Printing Products and Consumable Supplies.
